An act to amend Section 101012 of the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

Existing law, known as the Kindergarten-University Public Education Facilities Bond Act of 2006, which was approved by the voters at the November 7, 2006, statewide general election, among other things, authorized the issuance of \$7,329,000,000 in bonds, the proceeds of which are to be allocated, in accordance with a schedule, for the construction and modernization of school facilities.

This bill would make nonsubstantive changes in the schedule that specifies the amounts to be allocated in various categories. The bill would declare that it is consistent with, and furthers the purposes of, the act.
